ABOUT US

Since its establishment in 2006, Obje Plastik distinguished with creative ideas and innovation in the market. Obje Plastik is one of the major manufacturers and exporters of Turkey. In our Istanbul Plant, based on 12.000 m², all production cycle is carried out with the highest quality standards and multiple quality-wise solutions including robot automations. Integrated wood working facility and printing-engraving processes have brought a new look to plastic housewares.

Obje Plastik always keeps the vision of developing value-added products and being a leading company in the market.

We have been serving as a long-term partner for product display stands and other POSM solutions for corporate companies.

Product Design and Mold making also carried out in-house, therefore we can offer complete solutions from design to packaging for all requirements.

Our products, which are exported to more than 50 countries in 4 continents, are accepted as luxury houseware items under WELLINI brand. With our products exhibited at the most prestigious sales point at home and abroad, we are progressing in line with our goal of becoming a world brand.

Our products are produced with 1st Class raw materials and they are suitable for all Food-Safe regulations. In addition, our quality and social responsibility policies are documented with ISO-9001-14001, BSCI - SEDEX and FSC Accreditations.
